## - BREWING -

Hi, thank you for inquiring about a party at Bad Beat Brewing! We have a couple options to accommodate your needs.

**Option #1 / Reserving the Brewery Only:** The use of our brewery space is a \$350 minimum spend with \$100 cash deposit to save the date (the \$100 does go toward your \$350 min). Your \$350 is good for beer, available sodas, and hard cider. The space accommodates 80 people comfortably. Plus, you may use our fold out tables, linens, chairs, and Bluetooth speaker. The reservation is for a 4-hour window of time (for an additional fee we can extend this) and must commence 1 hour prior to closing hours.

**Option #2/ Reserving the Brewery Only Private Taps:** You get the brewery party space with your own kegerator stocked with 3 beers of your choosing! Each keg will pour around 41 pints for a total of 123 ish. Your party gets to serve yourself the whole night instead of having to come up front for beers. Cost \$500 with \$200 cash deposit to reserve date. This deposit goes towards your total cost! The space accommodates 80 people comfortably. Plus, you may use our fold out tables, linens, chairs, and Bluetooth speaker. The reservation is for a 4-hour window of time (for an additional fee we can extend this) and must commence 1 hour prior to closing hours.

**Option #3/ Full Venue Buyout Tab:** For a buyout we will close to the public and you will have a private party with use of our taproom and brewery! The price and deposit vary depending on which day of the week you are booking your party. For this option you will have a rental fee and we will start a tab for your party to be paid at the end of the party (tip not included). The combined spaces accommodate 150 people comfortably. Plus, you may use our fold out tables, linens, chairs, Bluetooth speaker in brewery, sound system in taproom, and TVs. The reservation is for a 4-hour window of time (for an additional fee we can extend this) and must commence 1 hour prior to closing hours.

**Option #4/ Full Venue Buyout All-You-Can-Drink:** For a buyout we will close to the public and you will have a private party with use of our taproom and brewery! The price and deposit vary depending on which day of the week you are booking your party. For this option the rental fee will include the price of an open bar/ all-you-can-drink (tip not included).
